

Transcript of the note of the Conversation between Gavin Allen of the Today Programme and Martin Sheen of Number 10 Downing Street, at around 7.15am, 29 May 2003

WORDING:

Martin Sheen, D St 7930 4433

From our side, allegation is completely untrue ... not one word of the dossier was not entirely the work of the intelligence agencies ...

The suggestion that any pressure was put on intelligence services from D St or anywhere else is entirely false

Assertion that we had sought to intervene to change the wording . . Processology
