*Dear Ann,*

In the context of the recent allegations broadcast by Andrew Gilligan on the today programme which directly concern the JIC and the Intelligence community, the Ministry of Defence has asked me to pass you the name of the individual who has volunteered that he met Andrew Gilligan on 22 May as detailed in the MoD statement of 8 July. I attach a copy.

The individual concerned is David Kelly, adviser to the Proliferation and Arms Control Secretariat in MoD.

I understand that David Kelly's name is now known to the media and will be published tomorrow.

*Yours sincerely,  
David Omand*
