Dear Richard,

I appreciated the opportunity to talk to you last Thursday.

In the course of our meeting you stated that you considered that I should have received a 6% pay rise in October 2002 as a consequence of my promotion to level 9 on 18<sup>th</sup> February 2002. I have checked my pay records which indicate that in February 2002 my annual pay was £58915. It increased by 3.6% to £61038 in June 2002 and has remained at that level ever since. I assume that the June increase was a cost of living pay rise.

Yours sincerely,
