Dear David,

I came back from two weeks overseas today to see your name in the FT as Andrew Gilligan's source on the WMD dossier.

I just wanted to get in touch to say that if I can ever be of any help to you (eg in vouching for you) or anything else, please let me know [REDACTED] we always thought of you as the most authoritative voice we had on the state of Iraqi weapons [REDACTED]

I think you know my views about this whole business. I am now back in London by the way.

With best wishes,
