Many thanks for your thoughts. It has been difficult. Hopefully it will all blow over by the end of the week and I can travel to Baghdad and get on with the real work.

Best wishes,

David

Dear David

Sorry about your latest run in with the media. I hope you are not getting too much flack. As we both know only too well dealing with the media is always a balancing act and its always impossible to predict which way it will go. When you get it right everybody is in favour but when you get it wrong you don't see their feet for dust.  
All the best
