Many thanks for your email. I know that I have a lot of good friends who are providing support at a difficult time.

Hope to see you soon.

Regards,

David

Dear David,

I watch you today on BBC, I have not specific comment on all these issues, but you can be sure that all your colleagues, bio experts or not are supporting you. We are confident where is the truth and this one must be revealed rapidly and avoid you to be longer interwied as the "famous guy who .."

Best regards from the past and for the future
