Subject: Please confirm

David,

Hi, this is [redacted] in Washington. It's been a while. Hope you are well.

I just wanted to confirm that the e-mail address I had for you was still valid before I sent you a more substantive message about a new project I'm working on.

Please acknowledge that you received this, and I'll send the second message.

Best regards,

[redacted]

e-mail. [redacted]
