

Subject: Wot - no chemical weapons?

[REDACTED]

Enjoyed your interview on Channel four news last night. Agreed with all you said except that I was a little surprised that you almost dismissed CW completely. Time will tell what the CW programme was in 2003.

I would love to catch up with you but I am travelling a lot over the next few weeks so I will check with [REDACTED] on your whereabouts when I am in UK for a while.

Best wishes,

David
