 To: Campbell Alastair - No. 10 -; Scarlett John - ISS -
 Cc: Miller Julian - Intelligence and Security Secretariat -
 Subject: RE: Another dossier memo

From [REDACTED]

John Scarlett has seen these comments and is taking account of them in the revisions now in the process of being incorporated. Both he and Julian Miller are now at the regular Wednesday JIC meeting and will be unable to move drafting forward for the next hour and a half or so. He will revert later. The aim remains to have the draft finalised in the course of this extended day.
