

Reflex unaccounted - not much in it - so delayed

Kelly role to indicate in all CBW classes on desecr

Threat = capability + intention. Intention lacking - too much to lose w/ forecasts etc.

BW prog - absolutely no evidence of form involvement.

Atchek has announced there was, but Kelly was not believe

None of the BW files looked @ by Wassford were hit in DF

- sensitive files were hit by one chemical plant & Felija

Desert Fox did not affect how BW prog at all.

Commit trust them of course - 10/15 yrs ago there was a lot of info with the concealment + deception of much less info.

But could does rate down programme - can't conceal huge prog.

We only have 60 documents on BW (200 total) - work ex Khawari

But US is less & less convinced that Saddam is contained

Increasing with stopping things getting in

Many attempts to pressure - esp in unsecured area

Best files just aren't here, even if intent remains

Members - John HARTMAN, ex BAE

US keen on refug

BW little hard HAWKING - v. diff. target to crack

See all int + not much to see. - not much to say
