Statement of the obvious, I guess, but it's really good to have you back here in the UK. Great week; great stories, well handled and well told. 'Course it's meant Today has had a great week too....and that's lifted everyone. We still have to have that conversation - but since you're entirely nocturnal while I'm a normal human being, we don't seem to meet too often. Maybe you could creek the coffin lid open next week during daylight hours ??? Anyhow, it's great to have you back on your beat. Talk soon
