Deb,

Many thanks for the email. GKW let me know that you had been trying to contact me but I have been keeping low on MOD advice. If all blows over by the beginning of next week I will get to Baghdad soon.

Regards,

David

Hi David-

I am in town (London area) staying with [REDACTED] Bromley. My original plan was to visit with his family and try to give you a call for a pub stop one night but I think that you are probably tied up with all of the various things happening. I am heading to France probably on Thur [REDACTED]

[REDACTED] Returning thru London either 30th or 31st to head back home [REDACTED]

I may try to call you before I depart just to say hi and make sure you are doing ok with your "notarity". Just what everyone needs. But you know that you have lots of friends here and in the US who know and trust you so don't let the bureaucracy get you down...seems as though someone in the food chain is always pointing fingers whether they are justified or not!

[REDACTED] . We will see as I have other obligations and can only spend 4-5 weeks prior to needing to come back to the States. Because of that they may decide that I should not go...it has been an on again off again thing...more off than on [REDACTED]

Well enough babble. I will try to call later

All the best.

Debbie
