Dear Gavyn,

I am writing to draw to your attention an MOD statement which we shall be issuing later today about Andrew Gilligan's 'single source'. This is enclosed.

You will see that we have not named the official within the MOD who has come forward. We would, however, be prepared to disclose his name to you in confidence, on the basis that you would then immediately confirm or deny that this is indeed Mr Gilligan's source, in the interests of resolving what has become a management problem for both our organisations

I am sure you will understand that this is not the same as divulging a source since the individual has come forward.

Yours sincerely,  
Geoff
