

Dr Kelly has also had meetings with Jane Corbin (BBC) and Tom Mangold (BBC) but has no record of the dates.

In addition, Dr Kelly will have spoken with journalists about Iraq at a range of seminars and similar events, and on the telephone (for example, his conversation with Andrew Gilligan at the IISS seminar 12-14 September 2002). Dr Kelly has also discussed non-Iraq WMD matters on which he is an acknowledged expert. Other than the journalists noted above, those journalists whose business cards (or other contact details) Dr Kelly has in his possession are listed below: he will have met them, even if that was in the margins of another event, and possibly many years ago.
