Line manager's summary of performance: comment on the individual's overall performance against work-related and development objectives, their track record and deployability:

David Kelly is a recognised authority on all aspects of Iraqi WMD. As such his advice and input have been in high demand across various government departments during the last year. David's advice has helped formulate UK policy with respect to Iraqi WMD. David couples a deep technical knowledge with political awareness which enables him to operate in what is a high profile and politically sensitive area, he has also demonstrated the ability to respond to short notice taskings and has been proactive when appropriate. David undoubtedly inspires complete confidence in all those he advises. David Kelly's services are likely to remain in high demand in support of post conflict activities.
