

DK [David Kelly] - can't exclude. Possible. Don't describe myself as int. Depends on who he asks. UN thinks I'm part of int. Haven't encouraged G [Gilligan] to think that.

DK [David Kelly] - Conf [confident] its not as long as he said.

MH [Martin Howard] - Notes?

DK [David Kelly] - he produced small notebook + pencil. Some notes but not copious.

RH [Richard Hatfield] - "Doss was [transformed].... sexier". Did you say or something similar?

DK [David Kelly] - No. Don't recall using "sexier". Transformation - a week, - No.

RH [Richard Hatfield] - Nothing said that cld [could] be construed.

DK [David Kelly] - Cannot recall. My memory was Dossier was fleeting in 45 mins disc[discussion].

RH [Richard Hatfield] - G's [Gilligan's] flavour was that meeting conced [concentrated] on Dossier. Why 45 min meeting important.

MH [Martin Howard] - "Impact" - exact or paraphrase.

DK [David Kelly] - do use that phrase, but can't recall if said to G [Gilligan]. Its in foreward by PM, rather just in text therefore impact. But not say it in a critical way.

MH [Martin Howard] - You didn't see int report. (DK [David Kelly] - No - nor subsequently.) Were you aware that was int to that effect.

DK [David Kelly] - No, not until public dom [domain]. Don't recall DIS.

RH [Richard Hatfield] - "claim 45 min...against their wishes" - did you say?
