

- 11/ (i) Press breached MOD rules → breach guidelines
 - (ii) in some way or other caught up in Galloway events.
- Information is informal unless said otherwise

11. Drafted but not finalized dossier sent on Tony's defeatth. / (the night note)

11. 45 mins 'I don't know? Not possible?' K: I would expect to have known - but only technical, not C?

K - did not consciously, but ^{got} late Sept 2002.

11. "all such action" ^{are} formal requests, but delay + respect to cold calls.

11. Power included on Tony's MOD Press Office on smallpox etc

11.1: looks like formal breach of guidelines.

Galloway:

11 Feb 2003 - Galloway called K wanted to discuss I phoned + suspect met in London w 24 hrs after ...

K - did not reply. Agreed to meet was understood wanted to go on sites + wanted to understand. Was aware some for someone for BBC or similar.

Did not reply was regarded as private. Not necessary sensitive or way.

Did not know investigation. But heard her on Today

11.1: Been asked by SIS/FCO/DA to brief journalists. Contact details well-known.

Use absent?

11.1: Who gave authority? K - statement correct. Responded as-? Please looked

MOD/5/0019

K - Accepted did not have authority. Hadn't read guidance.

H - but she shouldn't happen further.

May 22: G says K To give feedback. Says doesn't be discuss.

Cheryl X Hotel G took notes. Didn't ask whether had type see
K made clear it was confidential. Can't recall if G said anything on basis, why
G took notes?

K - main threat was personal. Why weapons not used/used. Did not take notes.
G raised 45 mins. Didn't say why raised. Wld have been in cabinet of
type of weapon used.

H - come may have been described so 45 arose.

"Inquest" K - 45 mins weight eye. Envisio made comment to anyone who notes.
Don't understand why it's there, but accept it's there. UUM also to read
hard to think what it means - he'd advised.

H - you believe S had mind + was p^{ty} threat?

K - believe sincerely there was a prog + sympathy to war

H - Source

K - Diff to come to C3. I don't think I was the same But my home
response G's history.

H - Summary. Good, detail → nice. But not say anything shouldn't have.
But shouldn't have discussed Rev C3 ⇒ no next step on
discipline. Wld. orally read, say shouldn't happen again + give
info on media. Then read in letter. Needed to leave it
in rel^{to} discipline

H - 1st time - one wldly anything back.

K - Don't believe wldly anything back.

Q398 ~~reference~~

H- it does describe ^H night work. "got it back" "Some time -
did mean anything" - anything. Quite closely connected - ~~it~~ to
"see X began + spoke" - R. only recall 2x meetings + 2x phone
calls to fix.

Q399: Somewhat like a ye since pre-to - free
Not authorized - free.

Q417 (John Lylos) "But official ^{two, but} inside in person" - ^{fact} not acknowledged
(outside R), although others might be guessed.

Q418: I of 'senior' officials 1/c of doing up dossier. Series of
by study, well-known. H- doesn't sound like R, but it
be wrong.

Q440/1

Q441: "~~had been involved~~" "series of"

442 H- have you said "doesn't ad..." R- doesn't recall.
But it's not clear if that does B. made sent on UN. Not
of language

450 How you said "45 mins late in"

R- Not aware of 45 mins since Dossier came out
Not aware in Aug, but in Sept. Not involved in
prep. Was asked "what else" said sandfox Bonds.

MOD/5/0021

Q63 - "emergent" - ably. K - have not said anything of emergent but on threat is covered + specific Bond is on 30m of Proj. H - decy. + said like you.

Q61 "and whether you relate. Digby King of Gov will say" K I have no opinion on 15 mins. Don't know what assigned score. Only comment on 15 min is 45 min + 40 corrected. K - only thing discussed is why word of used. K - and you would think to bond + price. Not good to G. H - and you would think to G? K - only thing discussed is why word of used. K - and you would think to G? K - only thing discussed is why word of used. K - and you would think to G? K - only thing discussed is why word of used.

Q57: "Carroll" H - and you have any X "day like this" K - do not be me. Had no work left.

Q455: "Only you" H - Not worried - All things you K - only thing that worries me - No. K - do not be me. Had no work left.

Q454: "Some of opinion the methodology" K - and I have spent 45 min; who has reported E1 B.

Q453 - "Main/Minor" K - that if any. But not (method + I) only be case of IATA view. My view is to reply on IATA.

Q451: "Some with thought" K - I do not.

H - Only on 15 mins with published. Not aware. K - yes.

461 - Foreign Docs - K - No opinion.

478 "variable" H - more specific than K

486: "45 ^{was} mine / don't be ^{was} inside" K - not a statement I
 understood.

501 "30% likely" K - 3 ~~at~~ set of things I'd say.

"^{had not} prepared CDW" K - not my belief

"Not usable weapon" K - "

"30%" K - set of things I'd say

518: K - I, I did not allege transportation of dossier

525

543. "30%" H - Do you recall saying? K - Things I'd use
 " - someone said this quite literally. Did you actually use
 these words? K - no, but do be incorrect summary of
 what I might have said.

544: K - would not use that phrase. But might
 have been a loose phrase.

546

558: H - Cloby, or anyone else

559: H - Not in intelligence service K - no.

1830 train.

Last Q

M: couldn't. Prev CS right. Rule rules list given info that still not in
passed. No evidence notices. Saw wind recording - say should follow
rules.

Suppose G is being in conversation with K + misheard study. Gut
want to say its part.

But date, you say. Some info given ~~consider~~ consistent - it'll
will be said. Asking 1 side, not K.

should disclose (with G) and/or come forward - spt G.
On basis of what said, not open to be source (give info
of what said).

M - In your mind, you are not source. K - No, I recog that
some thing K said added to G's. But don't believe
I'm source

+ not consistent with what said FAC.

Final Summary Descript of what has CS in
ref to 2nd part.
