H - # things pursue BBC defaming G. FAC/ <sup>suggest</sup> follow-up G's contact (2)  
∴ (i) follow-up discrepancies in G's a/c DKs, (Is there a 2<sup>nd</sup>?)  
(ii) MOD may not stand

Set times if stretched do be read as DK. need to make sure.

H - DKs ~~stay~~ ref with G.  
1<sup>st</sup> time consciously met him ~~ISS~~ ~~seam~~ 2002 Discussion over coffee never met before?

K - Cannot recall sping with him. Certainly haven't heard meeting. Haven't had purposeful discussion. Not sure he'd ring him before 2002 ISS seam

H - didn't have forgotten if have?

K - can't recall.

45 min 1 hr.

H -  
DK - met in Feb/ Chry X Hotel. Gulligans <sup>suggest</sup>  
Not recall but cannot exclude (Nothing)  
Nothing then til May

MOD/5/0025

MM - Talk to journal club a lot.

DK - wd get people costed 3-4 x weeks, most DS commentators are technical.

MM - be into have start out.

MM - May meeting - why 45m?

- DK - 1700. AG turned up 1715. Belovene left @ 6  
→ 6.30 train. May leave at 7 train → 6.30 → 1.15 meeting.

MM - Dossier. What were you involved in.

DK - idea arose in April. <sup>DK draft</sup> ~~Dossier~~ bit May-June. Then recall went into Limbo. Concious in Sept (leave in Aug). ~~██████████~~ asked (by Sept) to look @ bio + ask if any extra he suggested small gap, but rejected (no int). That was that.

MM - No - one say up on technical amendments? DK - No.

MM - did you discuss Dossier with DS? DK - don't recall in depth disc

MOD/5/0026

RH - Never ask outside FCO contributed to UN Docs  
only

RH - how did you describe yourself to G? what would be

DK - assume he knows senior advice to C/PTC people

have all sort of ideas. Have high prof in UN dimension.

Don't think people

RH - G thought pub of int.

DK - can't exclude possib. Don't describe myself as int.  
Depends on who he asks UN thinks in pub of int.  
Have not encouraged G to think that.

RH

DK - Conf its not as long as G said.

RH - Notes?

DK - he had small notebook + pencil some notes but not cogent.

RH - "Doss was transformed... series" Did you say or soundly similar

DK - Don't recall using series "Transformation" a week  
- No. RH - nothing said that it'd be continued.

PM - what was G asking you to respond to?  
MH - 45 was "not aware of being spoken to"

PM - 3 strange things. not a original report - DR. Don't know  
- against the wishes

DR - Can't believe I said  
MH - "don't know" - against their wishes - (a)  
DR - Can't believe I said

PM - You didn't see the report (DR - No - see subsequently.)  
were you aware the witness to the report DR - No, not  
w/ht public Don't read DIS

DR - Do use that phrase but can't recall of such G.  
It's in the record of PM, don't recall of input of  
not say in a similar way

MH - "Input" - exact or paraphrase  
PM - G's phrasing was that meeting cancelled or Dossier.  
why G's was - nearly identical

DR - Cannot recall. My memory was Dossier - was phrasing in  
G's was also

DK - wd have been in context of US news

RM - N, 10 repeatedly asked to read? DK not me.

RM - Date of Troy source? DK - no idea who source was.  
RM - did it speak source, DK - no.

RM - Weapons dealer - DK. did it say + believe otherwise.

RM - 30% CW, more likely BW program 100% copy CW prog. 30%  
DK - 30% is sort of figure for <sup>perfect</sup> program 100% for a CW  
program (ve copy). ~~30%~~

RM - G says source "small" threat DK - believes  
specific + current threat.

RM - G's all sources?

DK - Not aware. But some descript<sup>n</sup> do match. + concerned  
that he's hanging other stories on to him.

RM - anybody for BBC hired contact? G?

DK - No (G), Only person probably is Susan Watts  
(source) - not talking to G.
